

BUNN AIRPOT BREWER MANUAL FILL

Brewing made simple.
Fresh. Easy. Portable.

FEATURES + BENEFITS

- Quality over quantity – the Airpot proves that great coffee comes in small packages.
- Fresher for longer – once your coffee's brewed, rest assured that it will maintain its freshness and great taste.
- Perfectly portable – the Airpot runs off 13amps and doesn't require plumbing, making it completely portable, so you can brew quality coffee wherever and whenever.
