

## MARCO ECO PB10 BOILER (PUSH BUTTON)

Pouring perfection.  
The coffee machine sidekick.

### FEATURES + BENEFITS

- Unrivalled efficiency – not only is the Marco Tap Boiler one of the market's most efficient atmospheric water delivery systems, it boasts best-in-class energy efficiency.
- Water, however much you need – the boiler's compact footprint and constant supply means, it can supplement your coffee offer and fit seamlessly on-counter.
- Quality, litre after litre – when a boiler's this easy to use, descale and service, it's no surprise it delivers consistent quality.
- Key features – plumbed into mains supply, made with over 95% recyclable materials and simple push button operation.
