

# NUOVA SIMONELLI AURELIA WAVE VOLUMETRIC 2 GROUP

The global espresso standard. Quality production.  
Quality performance. Quality coffee.

## FEATURES + BENEFITS

- Delivering more of everything you need - more hot water, more steam, more coffee, whilst maintaining the high quality Nuova Simonelli is famed for.
- Style and substance - The Aurelia Wave doesn't just look great, its been designed to make service efficient for the most demanding coffee professionals. From the user friendly controls to the raised group heads, the Aurelia Wave is designed from the bottom up with the barista in mind.
- Adaptability meets reliability - with controllable parameters, you can adapt the Aurelia Wave around your needs. Thanks to the TFT graphic display, making changes is easier than ever. This advanced technology is encased in the highest quality materials, built by Nuova Simonelli's expert team in Italy making it as reliable as it is versatile.
- Key features - Ergonomic design, eco-sustainability, automatic cleaning, built in volumetric dosing, soft infusion system and cool touch push / pull steam wand.
